Profile

I work as a Fullstack Developer with solid knowledge of JavaScript, frameworks such as Express and NestJS, and the React library. Passionate about technology and always eager to explore the new. Each project is an opportunity to learn and grow, while continuously improving coding skills and contributing to innovative, long-term projects.

Work Experience

Intern Node.js Developer

SUN ASTERISK VIETNAM CO.,LTD | 07/2025 – 09/2025

Improved Git skills through real-world projects, learned NestJS, and contributed to developing a web application using NestJS and React.

Skills

Program languages: Javascript, Typescript, Java

Frameworks & Library: ExpressJs, NestJs, Spring Boot, ReactJs, TailwindCSS, React Native, Socket.io

Database: Postgres, MongoDB, MySQL

Tools: Git, Figma
